

Hello and Welcome.

Below are the answers to my TV Theme quizzes quiz numbers 6-10 as listed on this website page.

These are also the answers to the quizzes contained on the CD offered for sale on this page.

The CD is only £12.50 plus £1.99 P&P and is over 60 minutes long in total giving you at least one TV round per quiz for up to 5 weeks/months depending on your quiz frequency. That means you pay just 75p extra to have the CD supplied, burnt and delivered than what you would pay if you bought all 5 quizzes in download format! Please allow up to **three days** for delivery before planning to include the round in your quiz.

After the quiz answers follows a sample of the answer paper supplied on the individual quiz's answer PDF which is sent to you at the same time as your download link. The answer paper and instructions are on pages one and two of the answer pdf that is sent to you following purchase, this is to make printing easier for you.

Please select the quiz you require, using the answers supplied here to help you make your choice or you may purchase all five of the quizzes ready burnt to a CD and posted to you to do this please use the buy it now button for the CD your answer pdf will be sent via email and your CD posted. Please allow plenty of time for the CD to arrive before holding your quiz.

Please scroll down to the next page to view the answers.

Each quiz is between 12 and 15 minutes long and one whole quiz is one continuous track.

Just select the track number and press play. (CD purchasers only)

Following purchase, now matter which format is purchased, the answers are sent via email ready for you to download and print answer sheets etc. (this includes CD purchasers) please allow plenty of time for your CD to arrive at least **three days** is the best margin. We will endeavor to deliver your CD in under that time but this cannot be guaranteed!

TV Themes Answer Paper

You are about to hear 10 snippets of TV Theme tunes alls you have to do is name the program.

The quiz starts after the drum roll then the first theme plays and is repeated straight after. Then you will hear the sound of a bomb dropping, this part is approx 17 secounds long and is designed to give you time to discus a record your answer. Tract two then starts and again repeats straight after, then the bomb drops, and so on until you hear the lions roar, this is again designed to give you time to discus your answers. Following the lions roar each track will play just once more in order without the bomb dropping. You will know when the quiz is over.

Please listen to the tracks in silence and use the bomb dropping and lions roar time to discus your answers. The quiz cannot be repeated so please consider other people taking part in the quiz – thank you.

Team Name _____
